## KITESURFING WITH DOLPHINS

Zanzibar's Paje Beach with its flat, shallow lagoon is one of the world's best kitesurfing spots whether you are a pro or a novice. Its two main kitesurfing seasons run from mid-December until February, known as the Kaskazi, and from May until October, the Kuzi – and dolphins and turtles are known to join the ride. You can also go diving, snorkelling and stand-up paddleboarding, or head into Jozani Forest, one of the world's last remaining sanctuaries for red colobus monkeys.

*Zanzibar White Sand Villas offers a four-night package from £945 half-board, including a six-hour kitesurfing pack. [whitesandvillas.com](http://whitesandvillas.com)*
